Why Boilers with H&V Equipment Sales?

Sales of the **boiler line will be lead by 30+ year sales veteran, Randal P. Ferrino**. Randal has a depth of HVAC knowledge that began in the early 1970's where he served proudly in the US Navy as a Petty officer operating 1200 psi boilers. Later, he owned and operated his own sales organization, Unlimited Energy Inc., **selling and servicing commercial and industrial boiler room equipment**.
